E. Owner agrees that LPAH will not be responsible for the destruction or loss of any toys, leashes, collars, bedding or any other property left with the animal.

VACCINATION POLICY:

A. Owner represents that prior to acceptance of the animal by LPAH, Owner will provide a copy of current vaccination records and a current "kennel cough" or Bordetella vaccination for animal, stating that all vaccinations are up to date for the entire stay at the kennel.

B. To ensure the protection of all pets under our care, including your own, the following must be up to date:

DOGS: Rabies, DHPPC & Bordetella

CATS: Rabies & FVRCP

C. If not up to date, or if unable to provide proof of vaccination, I give permission to update my pet(s) vaccinations in accordance with the policies of LPAH. If any fleas/ticks are observed on your pet(s) while boarding, he/she (they) will receive a flea bath/dip at the owner's expense.

LIABILITY:

A. LPAH shall not be liable for any damages to the animal arising out of or from the boarding or keeping of the animal or that may accrue from any cause in connection with such boarding, including loss by fire, theft, running away, death, or injury during the term of this agreement, whether the animal is on the premises of LPAH or not, except where any such loss is caused by the neglect or intentional act of LPAH or by any of LPAH's agents or employees. In the unlikely event of death, no final course of action will be taken without consent of the owner. However, Owner shall be solely responsible for all costs associated with disposition of a body.

B. In no case shall LPAH be liable for the animal's acts and behavior, other than for the exercise of gross negligence on the part of LPAH, its agents or employees, in the boarding or keeping of the animal. Owner shall indemnify LPAH from and against any and all damages sustained or suffered by reason of the boarding or keeping of the animal for any claims or injuries arising out of the boarding and keeping of the animal.

LIEN FOR CHARGES:

A. LPAH shall have a lien on the animal for all unpaid boarding and other charges resulting from the boarding or keeping of the animal under this agreement.

B. Payment for services pursuant to this agreement is due and payable on the day of delivery of animal to Owner. Owner agrees that in the event the specified boarding charges are not paid when due and payable, in accordance with the terms of this agreement, LPAH may exercise its lien rights, and in connection with such rights, may dispose of the animal for any and all unpaid charges, at private or public sale, after 10 days' notice to Owner of such unpaid charges. In the event such sale does not secure a sufficient price to pay the costs of board and other charges, plus costs of sale, owner shall pay to LPAH the difference.

ILLNESS OF PET:

One of the advantages of boarding your pet(s) at a veterinary clinic or hospital is that veterinary attention is readily available should the need arise. In the event your animal becomes ill, every attempt will be made to contact Owner at the phone number(s) listed in this agreement. If Owner does not immediately inform LPAH regarding measures to be taken or if the animal's health requires emergency action, the right to provide medical treatment within LPAH's discretion is granted to LPAH, and Owner shall promptly pay any expenses incurred in connection with such care.

DAYCARE:

All dogs enrolled in LPAH Daycare will be engaging in social play with other dogs. LPAH will supervise playtimes and will use reasonable care to ensure that injuries do not occur. Owner agrees that in the event that an injury does occur, all veterinary charges required to properly treat the animal for such injury are the sole responsibility of the Owner.

PHOTOGRAPH/MEDIA RELEASE:

I allow I do not allow: LPAH to use my pet's likeness in a photograph or video in any and all of its publications, including website entries and social media, without payment or any other consideration. I understand that these materials will become the property of LPAH and will not be returned. I also authorize LPAH to edit, alter, copy, exhibit, publish or distribute this photograph or video for purposes of publicizing its services, and I waive the right to approve the finished product where my pet's likeness appears.

PAYMENT FOR SERVICES:

Charges are due and payable at the time of service, unless other arrangements are made in advance. Any balance that is carried over a period of 30 days will accrue a monthly finance charge of 1.5% or 18% per annum. Any balance left unpaid will be forwarded to a collection agency, and will incur a 25% collection fee for which Owner is liable, in addition to monthly finance charges.
